Alexandria, VA 22313-1450

Sir:

A RCE and Request for Suspension of Action under 37 C.F.R. § 1.103(c) were filed in the above-identified application on March 2, 2006. Particularly, the Request for Suspension of Action for three months was filed to allow Applicants to prepare a Response to the outstanding rejection. However, a final Office Action prematurely issued on March 16, 2006.

The undersigned respectfully requests the Office to withdraw and vacate the final Office Action of March 16, 2006 and to honor the Request for Suspension of Action for the three-month period extending to June 2, 2006.

In telephone conferences of March 22, 2006 and April 4, 2006 with the undersigned, the Examiner advised that he had issued an Interview Summary and appropriate papers withdrawing
